

Diversity and Inclusion Statement

The Town of Brookline recognizes and values diversity as a vital characteristic of the Town. Brookline celebrates the diversity of the community it serves and the individuals it employs, embracing the differences in race, color, religious creed, national origin, ancestry, gender, age, handicap, gender identity, sexual orientation and military background.

The Town of Brookline believes it has a responsibility to capitalize on the strength emanating from these differences and has a duty to ensure its employees, citizens, vendors and the members of the general public are treated with dignity and respect in all of their duties and dealings with the Town of Brookline.

The Town of Brookline believes a workplace that attracts and retains diverse personnel will allow it to serve its citizenry more creatively, strategically, and productively. A successful inclusion and diversity program will ensure these objectives, goals and priorities are maintained.
